

To The Kind People of St. Mary's

I would first like to Thank each and every one that took the time to in some way give an act of kindness to those of us that have found ourselves in need.

Please know it is Greatly Appreciated

My name is Maureen and my husband & I were living alone, on just his paycheck, due to my being physically disabled. We had already raised our 2 sons and were enjoying our 4 granddaughters, and I was actively involved with helping "Harbour House" Homeless Shelter.

This all changed August 8, 2013 when my baby sister died due to drug abuse. See, she left 2 children behind, my 12 yr old nephew & 9 yr old niece. My husband & I knew right away that we would need to take them in and love them and guide them and somehow we would make things work. We knew there would be many struggles - what we didn't know was

The Kindness of such Caring, giving Strangers, such as you all are, you showed up at Thanksgiving and then again at Christmas and what a Blessing it was. Then out of no where I get a call your kindness continues, you are going to help with Easter. My cup runneth over, I've never been good at the receiving end, but you never made me feel uncomfortable. From the bottom of Our Hearts - We Thank You All.
