

Rediscovering Jesus by Matthew Kelly

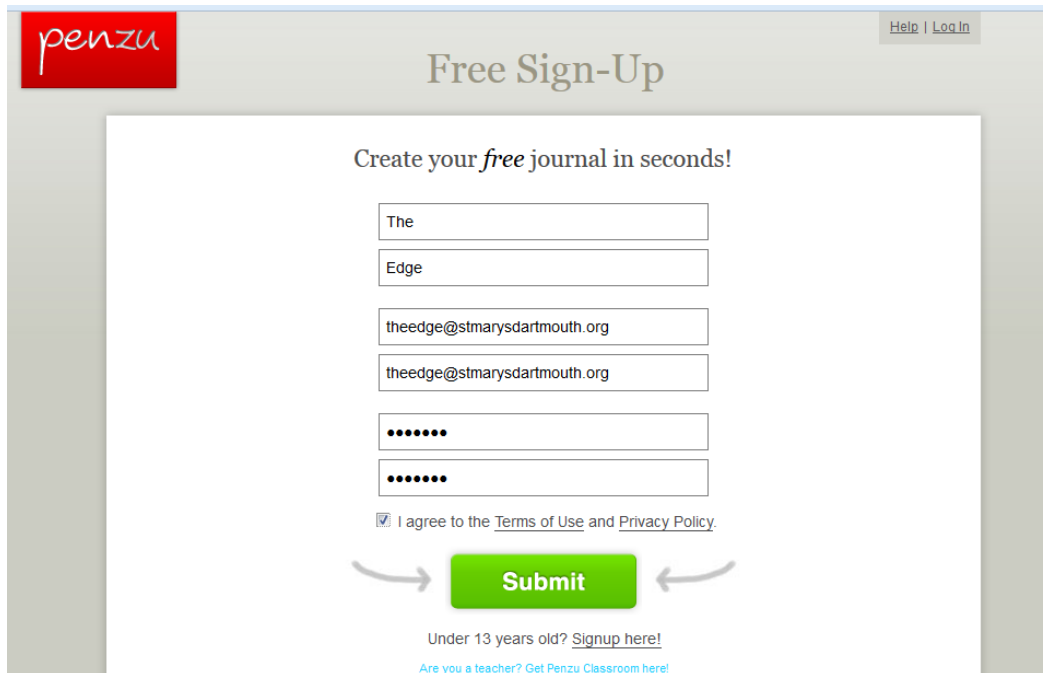

Summer Reading & Journaling Assignment

Matthew Kelley's book Rediscovering Jesus is broken up into 40 very brief and simply to read chapters. At the end of each chapter are several reflection questions that we ask you to think about and journal your responses to the reflection questions. We ask that you take 40 days, from any point between receiving your book through September 1st, to read and really reflect on who Christ is to you now and how to make that relationship grow and ultimately change your life.

The following are instructions on how to create an account to begin your journaling.
