

**St. Mary's
Next STEPS
Small Groups, Week 3**

1. Why are you Catholic? What is it about your faith that excites and motivates you?
2. Tell about a time when someone invited you to do something that you really enjoyed doing. Or tell about a time when you wouldn't have done something unless you had received an invitation, but you appreciated the invite?
3. If you ever invited someone to church or to your small group, tell about how that invitation went? If not, what prevents you from inviting others?
4. How do we know that God values those who are not coming to church? What are we to do about this?
5. How important do you think the "timing" of your invitation is? What's a good time to invite someone? When do you see those opportunities?
