Normal Isn't Working
Small Groups, Week 1

1. "No servant can serve two masters. He will either hate one and love the other or be devoted to one and despise the other. You cannot serve God and mammon." (Lk 16:13) Does this verse stir up anything within you?
2. In his homily this weekend, Fr. Bill asked, "Is God a priority in your life?" A great question to start with! What are some of the idols we have in our lives that at times have replaced God?
3. What is one thing in your life that has led you to the realization that Normal isn't Working?
4. What are the struggles you face in making God a priority in your life?
5. In what ways have you experienced Acedia? Have you noticed it perhaps in others?
6. In the week ahead, what is one thing you can do to deepen your commitment to the Lord, making Him more of a priority?
